By Trevor van Gorp, Edie Adams : Design for Emotion astonishing definition causing astonishment or surprise; amazing an astonishing victory; an astonishing remark see more astonishing exquisite zebra design vibrant hand woven blackcaramel area rug rug factory plus today deals area rugs10 mental chatter versus emotions Design for Emotion:

1 of 1 review helpful Very handy guide to the literature of emotions relevant to designers By Paul Sas A great synthesis of a lot of psych research brought into focus by articulating principles that can be deployed by designers Each chapter integrates a lot of the literature and shows how those findings are realized in concrete examples The instances aren't full blown designs but rather snippets of visual Emotion is the heart and soul of every product we encounter Van Gorp and Adams have written an essential guide to product design success that places emotion squarely

in the middle of design practice where it belongs Starting from well grounded evidence they distill emotional design into a set of fundamentals any designer would be wise to adopt Whether you are a business leader practitioner or consumer this book will change how you think about design With any product how it makes you feel comes before you understand how it works But how you enable those feelings is difficult nbsp Design for Emotion nbsp takes a deep examination of this problem and provides smart frameworks to give products perso
