0 of 0 review helpful New to MAX Get this Book By Neko Nine I am a long time MAYA user but needed to learn 3ds MAX quickly I was already a fan of the How To Cheat Series so I thought I d give this book a try I was not disappointed This book is very practical and the tips are great not just for max but MAYA as well Everything in the book is about getting things done quickly and with little fuss what 3d artist doesn't How to Cheat in 3ds Max updated

for latest rev of Max Need to get results with 3ds max fast Why take months to learn every button in 3ds max when you can create great visuals with just a few key tools Learn to create quick yet stunning special effects and animated characters with the fastest techniques possible Need convincing grass trees water shadows You can use the memory hogging methods that choke your display and take forever to render or yo Praise for How to cheat in 3dsMax 2010 My first impression was WOW and my second impression was This is what reference material should look like The balance between illustration and text is just right for visual people aspiring 3D artists will love
