By Bruce Tate, Lance Carlson, Curt Hibbs : Rails: Up and Running: Lightning-Fast Web Development

01082006nbsp;rails has 2 ratings and reviews in just a matter of days you can develop powerful web applications with rails that once took weeks or months to produ the nook book ebook of the rails up and running lightning fast web development by bruce tate lance carlson curt hibbs at barnes and noble free Rails: Up and Running: Lightning-Fast Web Development:

2 of 2 review helpful Good start bad finish By TML Enthusiastically supported this book till chapter 6 The first five

chapters are a good fast introduction presented in a quick but understandable format with a few but no show stopping errors Chapter 6 and 7 feel like the authors are trying to cram too much information into too little space and having done so quickly Multiple errors and simply too much information with In just a matter of days you can develop powerful web applications with Rails that once took weeks or months to produce with other web frameworks If that sounds too good to be true it isn't Find out for yourself with Rails Up and Running the concise and popular book that not only explains how Rails works but guides you through a complete test drive Perfect for beginning web developers this thoroughly revised edition teaches you the basics of rails About the Author Bruce A Tate is a kayaker mountain biker and father of two In his spare time he is an independent consultant in Austin Texas In 2001 he founded J2Life LLC a consulting firm that specializes in Java persistence frameworks and ligh
