13 of 13 review helpful Trash for Cash By Confederate Reviewer John R Iler Jr from Bethesda MD USA This book needs a CD I purchased the book to learn PageMaker but was referred to a website to download the required files

Some of the files were downloadable but the instructor files were not accessible and these files are necessary for completing the assignments Unfortunately this book is used by many in Through a visual flexible approach students will learn how to create desktop publications for print and electronic distribution using Adobe PageMaker and how to create projects such as a newsletter menu flyer and annual report
