44 of 44 review helpful A Gorgeous Book That Will Inspire You By A Customer I have recently become interested in bookbinding and this book is very inspiring The entire book is filled with large close up color photographs of the

examples And the ideas are absolutely fantastic Not only does she show you how to do brag books scrapbooks and journals but she also gives wonderful and unique gift ideas as well that I ll ldquo Browning has an artistic touch that sets her book apart Her projects make good use of handmade paper natural objects and currently popular decorative techniques such as thermal embossing Step by step instructions are given for making bindings and lacing entirely from scratch Excellent addition to public library collections rdquo mdash Library Journal
