Road Ahead: The 55-Minute Guide to Usability, Accessibility and Search Engine Optimisation:

0 of 2 review helpful Small and very blue By William Hudson The cover of this book is a stunning blue It will brighten up any dreary room The book is also smaller and lighter than a Kindle 2 plus the paper is responsibly sourced What s not to like 0 of 2 review helpful Bloody nice By Katherine H Pure brilliance The fact that it s written by my Dad has nothing to d Why do 90 percent of new products and services fail In this new era of consumer capitalism it s not always the best technical solutions that win It s the ones that make it easy intuitive and dare we say it fun for customers to achieve what they want to achieve Experts will no doubt howl with indignation at lumping together Usability with Accessibility and Search Engine Optimisation SEO But in this concise convincing and irreverent guide William Hudson argue
