**By K. Sreenivasa Rao, Shashidhar G. Koolagudi : Robust Emotion Recognition using Spectral and Prosodic Features (SpringerBriefs in Electrical and Computer Engineering)** robust emotion recognition using spectral and prosodic features springerbriefs in electrical and computer engineering k amazonin buy robust emotion recognition using spectral and prosodic features springerbriefs in electrical and computer engineering book online at Robust Emotion Recognition using Spectral and Prosodic Features (SpringerBriefs in Electrical and Computer Engineering):

In this brief the authors discuss recently explored spectral sub segmental and pitch synchronous and prosodic global and local features at word and syllable levels in different parts of the utterance features for discerning emotions in a robust manner The authors also delve into the complementary evidences obtained from excitation source vocal tract system and prosodic features for the purpose of enhancing emotion recognition performance Features based on speakin From the Back Cover In this brief the authors discuss recently explored spectral sub segmental and pitch synchronous and prosodic global and local features at word and syllable levels in different parts of the utterance features for discerning emotions in
