2 of 2 review helpful Your hot wire to the ultimate animation hot rod By Mitchell S Gould If there were ever a time to resist judging a book by its cover the moment you encounter MD McCallum s mis named iClone 4 31 3D Animation is that time The most important thing to say is that Packt Publishing was evidently constrained to keep the same book title even after its momentous decision to cover the new Version 5 of iClon This book is a part of the Beginner s guide series wherein you will quickly start doing tasks with precise instructions Then the tasks will be followed by

explanation and then a challenging task or a multiple choice question about the topic just covered Do you have a story to tell or an idea to illustrate This book is aimed at film makers video producers composers vxf artists or 3D artists designers like you who have no previous experience with iClone If you hav About the Author M D McCallum aka WarLord in the iClone community is an international award winning commercial graphics artist 3D animator project director and webmaster with a freelance career that spans over 20 years and includes over one hundred individu
