2 of 2 review helpful Slightly Dated but still useful to those looking to enhance their use of CPANEL By Vincent Informative While it is outdated with every passing year it is still valuable If you are not computer savvy at all then it

may not be of much help Things have moved around in CPanel but the information is still helpful as long as you can find where it is at in the current version of CPanel 1 of 1 re A clear complete guide to getting the most from cPanel Anybody who has a web hosting account that provides cPanel and who wants to get the most from this very powerful tool About the Author Aric Pedersen has been using cPanel on a daily basis for over 6 years both as an end user for his own websites and as a systems administrator He currently works as a systems administrator for several hosting companies and also for <http://www.ne>
