| | File size: 31.Mb

By Jon McFarland, Rob Polevoi : 3DS Max 4 In Depth search and read 3ds max 4 in depth 3ds max 4 in depth no wonder you activities are reading will be always needed it is not only to fulfil the duties that you need browse and read 3ds max 4 in depth 3ds max 4 in depth make more knowledge even in less time every day you may not always spend your time and money to go abroad 3DS Max 4 In Depth:

0 of 0 review helpful Good coverage By Patrick D Fletcher No 700 page book is going to cover 3dsmax comprehensively as some books claim including this one but this is a good book to go through in order to fill in gaps in your knowledge I d say that this book along with Mastering 3dsmax 4 make a good background for most of Max 4 s

features 1 of 1 review helpful The Polevoi Factor Provides readers with a comprehensive reference for creating effects for film movies and games This book covers the modeling and modification of structures from primitive objects plus other parametric design tools found in the program and contains various projects to strengthen concepts learned with a color studio to showcase the results CD ROM is included with maps or clips needed for each exercise com Written for the artist new to 3ds max 3ds max 4 in Depth presents the application from the ground up starting with interface basics and continuing on through project construction to final rendering Overall the book presents much of the same
