0 of 0 review helpful Five Stars By Pamela P Helpful reference for someone who is transitioning to Agile 0 of 0

review helpful Five Stars By Customer Very comprehensive review for the ACP exam 0 of 0 review helpful Four Stars By T Harris Delivers what is promised in an organized way Many books discuss Agile from a theoretical or academic perspective Becoming Agile takes a different approach and focuses on explaining Agile from a case study perspective Agile principles are discussed explained and then demonstrated in the context of a case study that flows throughout the book The case study is based on a mixture of the author s real world experiences Becoming Agile also focuses on the importance of adapting Agile principles Praise for Becoming Agile I would award this excellent guide and virtual consultant an almost perfect nine out of ten review and recommend it to any organization seeking to intelligently adopt Agile Practices Slashdot o
