By Hamidreza Chinaei, Brahim Chaib-draa : Building Dialogue POMDPs from Expert Dialogues: An end-to-end approach (SpringerBriefs in Electrical and Computer Engineering)

building dialogue pomdps from expert dialogues an end to end approach springerbriefs in electrical and computer engineering hamidreza pdf book library building dialogue pomdps from expert dialogues an end to end approach springerbriefs in electrical and computer engineering Building Dialogue POMDPs from Expert Dialogues: An end-to-end approach (SpringerBriefs in Electrical and Computer Engineering):

This book discusses the Partially Observable Markov Decision Process POMDP framework applied in dialogue systems It presents POMDP as a formal framework to represent uncertainty explicitly while supporting automated policy solving The authors propose and implement an end to end learning approach for dialogue POMDP model components Starting from scratch they present the state the transition model the observation model and then finally the reward model from unan
