(Lecture Notes in Computer Science):

This book constitutes the refereed proceedings of the Second International Workshop on Patch Based Techniques in Medical Images Patch MI 2016 which was held in conjunction with MICCAI 2016 in Athens Greece in October 2016

The 17 regular papers presented in this volume were carefully reviewed and selected from 25 submissions. The main aim of the Patch MI 2016 workshop is to promote methodological advances within the medical imaging field with va
