The 29th International Workshop on Graph Theoretic Concepts in Computer Science WG2003 was held in the Mennorode conference center in Elspeet, The Netherlands. The workshop was organized by the Center for Algorithmic Systems of the Institute of Information and Computing Sciences of Utrecht University. The workshop took place June 19 ndash 21 2003. The 72 participants of WG 2003 came from universities and research institutes from 18 different countries and ve different continents. The works
