Computer Science) (Pt. 3):

Welcome to the proceedings of the 8th European Conference on Computer vision Following a very successful ECCV
2002 the response to our call for papers was almost equally strong ndash 555 papers were submitted We accepted 41
papers for oral and 149 papers for poster presentation Several innovations were introduced into the review process
First the n ber of program committee members was increased to reduce their review load We managed to assign to
program committ
