Proceedings (Lecture Notes in Computer Science):

This volume in the Springer Lecture Notes in Computer Science LNCS series contains 98 papers presented at the S SSPR 2008 workshops S SSPR 2008 was the sixth time that the SPR and SSPR workshops organized by Technical Committees TC1 and TC2 of the International Association for Pattern Recognition IAPR were held as joint workshops S SSPR 2008 was held in Orlando Florida the family entertainment capital of the world on the beautiful campus of the University of Central Florida. From the Back Cover This book constitutes the refereed proceedings of the 12th International Workshop on Structural and Syntactic Pattern Recognition SSPR 2008 and the 7th International Workshop on Statistical Techniques in Pattern Recognition SPR 2008 held
