Theory and Algorithms: 17th International Conference, ICONIP 2010, Sydney, Australia, November 21-25, 2010, Proceedings, Part I (Lecture Notes in Computer Science):

The two volume set LNCS 6443 and LNCS 6444 constitutes the proceedings of the 17th International Conference on Neural Information Processing ICONIP 2010 held in Sydney Australia in November 2010 The 146 regular session papers presented were carefully reviewed and selected from 470 submissions The papers of part I are organized in

topical sections on neurodynamics computational neuroscience and cognitive science data and text processing adaptive algorithms bio
