By Louis Rosenfeld, Peter Morville

| #4729578 in Books | 1998-02-28 | Format: Bargain Price | PDF # 1 | File type: PDF | 202 pages | File size: 57.Mb

By Louis Rosenfeld, Peter Morville : Information Architecture for the World Wide Web information architecture for the world wide web has 2656 ratings and 92 reviews robert said more fanatic than technical too much why the world nee information architecture for the web and beyond louis rosenfeld peter morville jorge arango on amazon free shipping on qualifying offers information Information Architecture for the World Wide Web:

Some web sites work and some don t Good web site consultants know that you can t just jump in and start writing HTML the same way you can t build a house by just pouring a foundation and putting up some walls You need to know who will be using the site and what they ll be using it for You need some idea of what you d like to draw their

attention to during their visit Overall you need a strong cohesive vision for the site that makes it both distinctiv
