Computer Animation and Simulation 2001: Proceedings of the Eurographics Workshop in Manchester, UK,  
September 2–3, 2001:

The book contains 16 papers and 1 invited talk presenting the latest research in computer animation and simulation  
Special focus is given on the modelling and animation of complex phenomena This includes the modelling of virtual  
creatures ndash from their body parts to the control of their behaviour ndash and the nomination of natural phenomena  
such as water smoke fire and vegetation
